Workshop: How to be a good Chief Investigator

18 October 2016 Bristol

A free one day training event for newly funded Chief Investigators on randomised clinical trials.

The workshop will include panel discussions, presentations from clinical trial units, trial funders and trial methodologists, problem solving sessions and discussions on working relationships.

Deadline for applications: 20th July 5pm

How to apply: This workshop is free to shortlisted applicants, but spaces are limited. Delegates must pay for their own travel and any accommodation.
Applicants must be a new CI on a randomised clinical trial which is already currently funded.

To apply please email a 2-page CV detailing your career to date and a cover letter containing the title and funder of your trial, and a copy of the trial abstract to **stephanie.mccall@ndph.ox.ac.uk** with the subject heading: **"CI workshop 3"**

Feedback from previous courses:

Excellent to hear others' experience - that has given me confidence with my own project

The quality of speakers was overall super and I am very grateful to have been allowed to attend

Overall a very good experience and really useful

Organising Panel: Prof Jane Armitage, Prof Jane Blazeby, Prof Tony Marson, Prof Paula Williamson.

This workshop is funded by the MRC Network of Hubs for Trials Methodology Research
