

## MODULE RESULTS: CODES AND DEFINITIONS

Code	Result	Definition
<b>P</b>	Pass	<ul style="list-style-type: none"> <li>Module is passed – mark is equal to module pass-mark or greater</li> <li>Module outcomes have been achieved</li> </ul>
<b>F</b>	Fail, no further attempt permitted	<ul style="list-style-type: none"> <li>Module is failed – mark is lower than module pass-mark</li> <li>All assessment attempts have been exhausted</li> <li>Module outcomes have not been achieved</li> </ul>
<b>SE</b>	Supplementary (Resit): Centrally-timetabled Examination	<ul style="list-style-type: none"> <li>Mark is lower than module pass-mark</li> <li>Module outcomes have not been achieved at the first attempt</li> <li>Reassessment opportunity is available in the Supplementary assessment period in the same academic year</li> <li>The reassessment will be classed as a resit</li> <li>Module mark will be capped at the pass mark for degree classification calculation</li> </ul>
<b>SU</b>	Supplementary (Resit): NOT Centrally-timetabled Examination	<ul style="list-style-type: none"> <li>Mark is lower than module pass-mark</li> <li>Module outcomes have not been achieved at the first attempt</li> <li>Reassessment opportunity is available in the Supplementary assessment period in the same academic year</li> <li>The reassessment will be classed as a resit</li> <li>Module mark will be capped at the pass mark for degree classification calculation</li> </ul>
<b>RS</b>	Resit externally in the next academic year	<ul style="list-style-type: none"> <li>Mark is lower than module pass-mark</li> <li>Module outcomes have not been achieved at this attempt</li> <li>Reassessment opportunity is available in the next academic year</li> <li>The assessment will be resat, but no teaching will take place, and no fees will be charged for the module resit</li> <li>The reassessment will be classed as a resit</li> <li>Module mark will be capped at the pass mark for degree classification calculation</li> </ul>
<b>RP</b>	Repeat the module internally in the next academic year	<ul style="list-style-type: none"> <li>Mark is lower than module pass-mark</li> <li>Module outcomes have not been achieved at this attempt</li> <li>Reassessment opportunity is available in the next academic year</li> <li>The whole module will be repeated, attending teaching (lectures, laboratories etc), paying pro-rata fees and completing reassessment</li> <li>The reassessment will be classed as a repeat</li> <li>Module mark will be capped at the pass mark for degree classification calculation</li> </ul>
<b>ME</b>	Supplementary (Sit) in the same academic year:	<ul style="list-style-type: none"> <li>Extenuating Circumstances have been agreed for this module for the assessment period</li> <li>Circumstances for use:</li> </ul>

## MODULE RESULTS: CODES AND DEFINITIONS

	Centrally-timetabled Examination	<ul style="list-style-type: none"> <li>○ the mark may be lower than module pass-mark; OR</li> <li>○ an extension to a deadline or deferral of an exam has been granted, so a complete mark is not yet available; OR</li> <li>○ assessment for the module is not expected until after the Main Exam Board and the marks will be available at the Supplementary Exam Board</li> <li>● A 'sit' opportunity is available in the Supplementary assessment period in the same academic year</li> <li>● Original mark will be forfeited</li> <li>● The sit will be classed as though it were a first attempt</li> <li>● Module mark will not be capped at the pass mark for degree classification calculation</li> </ul>
<b>M</b>	Supplementary (Sit) in the same academic year: NOT Centrally-timetabled Examination	<ul style="list-style-type: none"> <li>● Extenuating Circumstances have been agreed for this module for the assessment period</li> <li>● Circumstances for use: <ul style="list-style-type: none"> <li>○ the mark may be lower than module pass-mark; OR</li> <li>○ an extension to a deadline or deferral of an exam has been granted, so a complete mark is not yet available; OR</li> <li>○ assessment for the module is not expected until after the Main Exam Board and the marks will be available at the Supplementary Exam Board</li> </ul> </li> <li>● A 'sit' opportunity is available in the Supplementary assessment period in the same academic year</li> <li>● Original mark will be forfeited</li> <li>● The sit will be classed as though it were a first attempt</li> <li>● Module mark will not be capped at the pass mark for degree classification calculation</li> </ul>
<b>MX</b>	Sit Externally in the next academic year	<ul style="list-style-type: none"> <li>● Extenuating Circumstances have been agreed for this module for the assessment period</li> <li>● Circumstances for use: <ul style="list-style-type: none"> <li>○ the mark may be lower than module pass-mark; OR</li> <li>○ an extension to a deadline or deferral of an exam to the next academic year has been granted, so a complete mark is not yet available; OR</li> <li>○ the complete mark will be available at an Exam Board in the next academic year</li> </ul> </li> <li>● A 'sit' opportunity is available in the next academic year</li> <li>● The assessment will be sat, but no teaching will take place, and no fees will be charged for the module resit</li> <li>● Original mark will be forfeited</li> <li>● The sit will be classed as though it were a first attempt</li> <li>● Module mark will not be capped at the pass mark for degree classification calculation</li> </ul>
<b>MI</b>	Sit Internally in the next academic year	<ul style="list-style-type: none"> <li>● Extenuating Circumstances have been agreed for this module for the assessment period</li> <li>● The mark may be lower than module pass-mark</li> <li>● A 'sit' opportunity is available in the next academic year</li> <li>● The whole module will be repeated, attending teaching (lectures, laboratories etc), paying pro-rata fees and completing reassessment</li> </ul>

## MODULE RESULTS: CODES AND DEFINITIONS

		<ul style="list-style-type: none"> <li>• Original mark will be forfeited</li> <li>• The sit will be classed as though it were a first attempt</li> <li>• Module mark will not be capped at the pass mark for degree classification calculation</li> </ul>
<b>SB</b>	Substitute the resit module	<ul style="list-style-type: none"> <li>• Mark is lower than module pass-mark</li> <li>• A external resit opportunity is available in the next academic year</li> <li>• The original module will not be available for reassessment, so an alternative module must be substituted</li> <li>• The assessment will be resat, but no teaching will take place, and no fees will be charged for the module resit</li> <li>• Module mark will be capped at the pass mark for degree classification calculation</li> <li>• Student will only be permitted one attempt at a substitute module</li> </ul>
<b>MB</b>	Sit the module as a substitute	<ul style="list-style-type: none"> <li>• Extenuating circumstances have prevented the student from completing the original module successfully, and that module is no longer available for the second sit</li> <li>• In some cases (though not all), the mark may be lower than module pass mark</li> <li>• An internal 'sit' opportunity is available in the next academic year</li> <li>• Student will attend teaching (lectures, laboratories etc), pay pro-rata fees and complete reassessment for the whole substitute module</li> <li>• Original mark (for original module) will be forfeited</li> <li>• The sit will be classed as though it were a first attempt</li> <li>• Module mark will not be capped at the pass mark for degree classification calculation</li> </ul>
<b>U</b>	Mark unavailable	A mark was unavailable for these modules in time for the Exam Board, but is expected in the same academic year
<b>PE</b>	Pass with Extenuating Circumstances	Module has been passed, but extenuating circumstances have been agreed
