

What will my transcript look like this year?

Where all assessments for a module have been completed and the module has been passed, the credits awarded for that module will be the credit value of the module and will display as follows:

Module Code	Module Description	Module Level	Credits Studied	Credits Awarded	Mark	Result	Attempts
02 12344	English Language	Honours Level	20	20	67	PASS	1

If partial credits have been awarded, they will display as follows:

Module Code	Module Description	Module Level	Credits Studied	Credits Awarded	Mark	Result	Attempts
02 12344	English Language	Honours Level	20	10	67	PASS	1

If the module has been failed, no credits will be awarded and it will display as follows:

Module Code	Module Description	Module Level	Credits Studied	Credits Awarded	Mark	Result	Attempts
02 12344	English Language	Honours Level	20	0	32	FAILED	1

Your transcript will display all modules you have studied, even where not all modules have been assessed formally. If you have studied a module but not completed any assessments, the result will display as follows:

Module Code	Module Description	Module Level	Credits Studied	Credits Awarded	Mark	Result	Attempts
02 12345	Linguistics	Honours Level	20	0	-	AUDITED	0
