

UNIVERSITY OF  
BIRMINGHAM

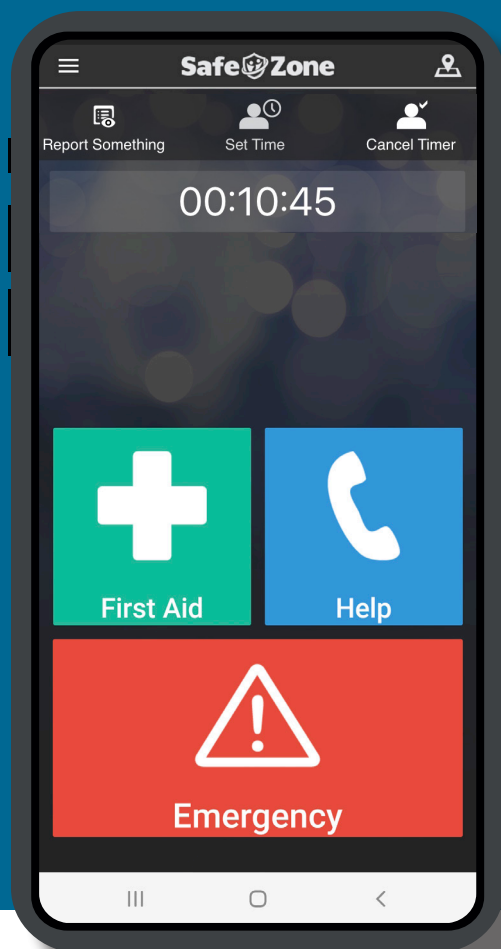

# SafeZone App

SafeZone is a mobile app designed to give you extra peace of mind on campus and at university accommodation.

It is free to download and easy to use. You can use it to:

- Check-in when working or studying alone
- Call for assistance from the teams within Safety and Security
- Report Something
- Request First Aid assistance

The app can also help when you are away from campus by providing your GPS location and prompting you to call 999.

BIRMINGHAM

## Download SafeZone

Search for 'SafeZone' on Google Play or the App Store and download.

### DOWNLOAD FOR IPHONE

Scan this QR  
code with your  
mobile device to  
download the app

### DOWNLOAD FOR ANDROID

Scan this QR  
code with your  
mobile device to  
download the app

Open the app, enter your University of Birmingham email address, and select 'The University of Birmingham' from the top of the screen.

Complete the required details: your name, phone number, and password.

For security reasons, your password should be different to the password you use for any other University accounts.
