

Pure: Requesting access

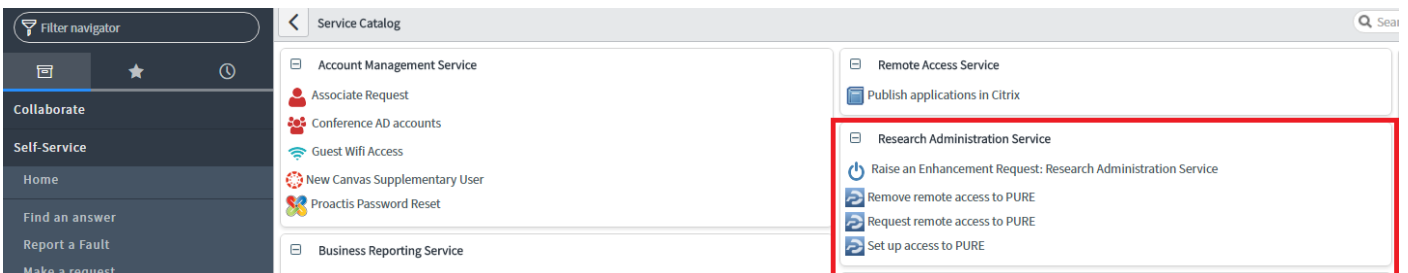

All academic staff are granted access to Pure upon joining the University. To login go to <https://pure.bham.ac.uk/admin/login.xhtml> and enter your University login details. If you are not a member of academic staff and require access to Pure, please follow the below steps.

Step 1: View <https://universityofbirmingham.service-now.com/itgateway/welcome.do> and select 'Make a request'

Step 2: Select 'Set up access to PURE' and follow the prompts. You will receive notification once your request is approved or declined.

Requesting remote access to Pure

Note: Pure can only be accessed whilst on Campus unless Remote access is requested.

To access Pure whilst off Campus, select 'Request remote access to Pure' and follow the prompts.
