Kings Norton walking map

Walking directions from Kings Norton station:

Turn left out of the station and turn left again towards the Pershore Road. Turn left and make your way to the pedestrian crossing (approx 90 metres). Press the button and wait for green man before crossing over the road. Turn right and walk down the road (approx 90 metres) until you see a walkway on your left. At the end of the walkway, take care to cross Sovereign Road and enter the car park entrance directly opposite (the entrance before Castle Road). We are the second large building on the left with a large black University of Birmingham sign above the reception entrance.
