

Special Conditions for Marie Curie ITN posts

Applicants may be of any nationality and the ESR will receive support on the condition that at times he or she moves from one country to another to broaden or deepen his or her competences. The successful candidate shall at the time of recruitment by the host organisation be in the first four years (full-time equivalent research experience) of his or her research careers and have not been awarded a doctoral degree. Candidates with pending Master's (and in some cases Bachelor) degrees will be considered. When recruited the ESR shall not have resided or carried out his or her main activity (work, studies, etc.) in the UK for more than 12 months in the 3 years immediately prior to the reference date. Short stays such as holidays are not taken into account.
