### MSc Online International Business

With an Online MSc International Business from Birmingham Business School, you can build a foundation in business fundamentals with a strong global perspective exclusively through the use of the leading online technology. Our flexible learning platform presents a modern solution for recent graduate students, connecting you with module leaders who are at the top of their fields as you prepare for your career.

Modules consist of expert-led video content, readings to support content and case studies that put principles and practices into a real-life context. You are also given direct, personal support through the assignment of an individual tutor to help guide learning as it is applied in a global paradigm.

You will take 12 compulsory modules across two years, followed by the submission of a research dissertation.
